It is my pleasure to write on behalf of **Shashwat Mishra** who has worked under my supervision in few Machine learning Projects.

Shashwat's command of Python, Machine learning & Flutter is superb. He is an excellent communicator both in English and in Hindi, with the ability to make complex technical information understandable to lay audiences.

Given his technical expertise, attention to detail, and exemplary work ethic, I have no doubt that you will find **Shashwat Mishra** to be an invaluable contributor to the research team at Microsoft Corporation, and I highly recommend him for the position of Research Intern. Please contact me at the email or phone number listed here if there is any other information I can provide in support of his candidacy.

I take this opportunity to thank him and wish him all the best for his future.
